Alexander Yevmenenko

Graphic designer

PORTFOLIO

ABOUT ME

For over 25 years, I have been working in graphic design for print materials (books, brochures, guidebooks, leaflets, etc.) and the web. In recent years, I have also been working in 3D graphics and creating images using AI. I am looking for a job as a graphic designer to create high-quality, memorable designs.

I have access to the job market in Poland.
